

Submitting an Application for a Construction Certificate

Applicant

To apply for a Construction Certificate via the NSW Planning Portal, you will need a NSW Planning Portal account. To register a new account, refer to our *Registering for the NSW Planning Portal* quick reference guide.

You can apply for a construction certificate via the NSW Planning Portal using two different methods.

- As a related application via an online development (DA)
- Stand-alone (consent application is outside of the NSW Planning Portal)

Follow the instructions below for your required method.

Initiating an application

1. Log in to the NSW Planning Portal and;

- a) For a stand-alone application **select** Post Consent Certificate (CC, OC, SC, PCA, SWC) from the New menu on the top left of the screen, or

- b) Connect to an existing DA application, by first Locating the existing DA, opening that application and **selecting** Request related application.

Click on Request Certificate.

Note: When submitting a related Portal application it links the DA and relevant information entered on the DA will auto-populate to this application so you may not have to complete some of the following steps but rather, you can review the information.

2. **Select** Construction certificate from the list of options.

3. **Select** the Class of development.

Note: If a Class 2 development is selected, you will be required to meet further obligations in accordance to the *Design and Building Practitioners Act 2020* by nominating Practitioners, enter a Building Work Commencement date after the DA is determined and Lodge relevant Construction-Issued Regulated design documents.

For more information on these processes, refer to our relevant quick reference guides and resources.

4. **Select** whether the application is for the full development or part of the development.

5. **Indicate** if the application is for modification of a current construction certificate.

If Yes, you will be requested to enter details of the current construction certificate under related approval.

6. **Enter** the related approval information. E.g. If this application is in relation to a DA, then enter the relevant DA information.
